We will be card less again this year. ALL parents that will be volunteering as Clerk of Course, Head Judge, Referee and Data Manager MUST ATTEND!! These jobs may sound daunting, but these are not difficult jobs and we definitely need volunteers, so please consider these positions and attend the training. We also need Stroke and Turn judges, and that training is also held at this clinic.

General Info

Due to the snow storms and the differing school schedules, we are unsure of practice start times. Please watch the website for details and updated forms. If the 2010 version is not there when you check, please be patient, we are working on the site. All team members must register, but all swimmers from the same family can use one form. You can email the form to me or mail the form to my attention at the pool so that it arrives no later than Friday, June 4th. **New team members also must send a copy of their birth certificate.** You will be able to register in person at the pool from 1-3 pm on May 29, 30, and 31. Parents, be prepared to sign up for the 3 days you will volunteer and in what capacity (timer, stroke & turn judge, hospitality, etc) Please check your calendars before arriving

at the pool. The coaches will be available those days to answer any questions. Please email me with any questions, swim_mom_tracy@yahoo.com. **We will be selling swimwear, caps, goggles, and other items at the pool opening weekend.** All profits benefit the Swim Team, so please bring your checkbook and participate in our first fundraiser of the season!

Please join us for the 4th Annual Swim Team Kickoff Party on June 6th! Watch for a flyer with more info.

TEEN NIGHT

There will be a new policy for checking in at Teen Night this year. **Everyone must enter through the front desk and sign in with their key tag. Guests will only be admitted if accompanied by a member.** We want this to be a safe and fun evening for all; please follow the rules.

ADDITIONAL ITEMS

The **Employee Meeting** will be held Monday, May 24th at 7:00 p.m. at the pool. All employees are expected to attend unless they have notified their supervisors.

If you are planning a party, please fill out the form available at the front desk, or print one off the website and drop it off at the front desk. We encourage you to give at least two weeks notice so that both the guard staff and snack bar can be prepared and especially when the pool is crowded. Please remember that we are unable to accommodate parties on Memorial Day weekend or Labor Day weekend.

POOL RULES: We ask all members, new and returning, to review the Rules of Operation of the pool. The purpose of the rules is to provide members and guests with a safe, clean and pleasant experience at the pool. The Board is making an effort to better train the guard staff regarding the rules and is asking members to re-familiarize themselves with the rules. In addition, the Board has given the Manager and Assistant Manager the power to remove members from the Club and to suspend a membership in the event of repeated or egregious violations of the rules or for abusive behavior. The Board strongly suggests that if you, your family or your guests disagree with the instructions of a member of the guard staff, you nevertheless comply with the instructions and ask to speak with the Manager on duty or a member of the Board. The Rules of Operation will be posted at the pool on the upper deck and on the website.

As a reminder, **NO FLOTATION DEVICES ARE ALLOWED IN THE MAIN POOL, THIS INCLUDES SWIM VESTS AND ARM FLOATIES.**

Alcoholic beverages are **PROHIBITED** on Club property, with the exception of Adult Nights and other special events. Intoxicated persons shall be denied admission or required to leave the Club immediately. A member risks losing their membership if found with alcohol on the property.

AFTER-HOUR PARTIES ARE PROHIBITED! If any person is caught on the grounds after the pool has closed without the permission of a Board member, they risk losing their membership and being charged with trespassing.

GLASS CONTAINERS ARE PROHIBITED. Glass containers create a serious risk of injury if broken. The pool may have to be closed indefinitely (days) if glass is broken on the deck!

EARLY CLOSINGS: The pool will be cleared during heavy rains or electrical storms. The Club will determine the length of time closed based on County regulations. The Club will not permit anyone to wait out electrical storms on the pool grounds or under the metal structure at the snack bar.

Parents are responsible for watching their children in the baby pool. The lifeguard Staff does not actively monitor the baby pool.

Please be **respectful** of your neighbor and guard staff. A kind word can go along way.

We again are offering a wireless connection at the pool for all of you who can't be away from your email! **Remember, you may not use your laptops in the baby pool area or on the deck of the main pool.** The pool is not responsible for lost or stolen equipment.

THE CALENDAR IS SUBJECT TO CHANGE. PLEASE REMEMBER TO CALL 301-773-4814 FOR CURRENT CLUB INFORMATION OR CHECK THE WEBSITE. The message will be changed daily concerning operating hours, special events and foul weather closings. We will also be sending out a weekly reminder, via email, to remind members about early closings and events etc.

We look forward to another safe and enjoyable summer for you and your families!

Sincerely,

Carol A Hart
President
